Subject: Please deny motion to dismiss

DOCKET NO. 2014-392-E.

Good morning. Complainant, Sara Patricia Ann Sizemore. I am respectfully asking the Motion to Dismiss by Duke Energy be DENIED.

Based on section 58-3-140, the commission has vested power and jurisdiction over every public utility in this state ----section A....,applying to regulate the services of said utility. Duke Energy was performing A SERVICE , public / or / private, when they laid that power line. The commission does have total jurisdiction over this matter, with all due respect. Respectfully, Sara Patricia Ann Sizemore.
